

Conference Date: April 06-07, 2024

International Conference on ADVANCEMENTS IN APPLIED SCIENCE AND TECHNOLOGY (AAST-2024)

Conference Topics

- Advancements in Applied Science and Technology
- Architectural Technology
- Artificial Intelligence
- Information Technology
- Critique of Technology
- Economics of Technology
- Communication Technology
- Industrial Revolution
- Water infrastructure
- Artificial intelligence
- Internet of things

Hybrid Mode

- Robotics, Printing, Deep learning
- Blockchain, Computing
- Nanotechnology, Communication
- Augmented reality, Smart City
- Concepts of technological change
- Quantum computing
- Computer network, Robotics
- Technology in agriculture
- Computational Intelligence
- **All the topics related to Advancements in Applied Science and Technology**
