

Conference Date: September 27-28, 2025

International Conference on Basic Science, Chemical and Microbiology (BSCM-2025)

Conference Topics

- ❖ Basic Science, Chemical and Microbiology
- ❖ Physics, Chemistry, Biology
- ❖ Mathematics, Earth Science
- ❖ Foundation for other sciences
- ❖ Understanding the natural world
- ❖ Problem-solving, Astronomy
- ❖ Innovation and discovery
- ❖ Antifungal resistance
- ❖ Bacteriology, Bioremediation
- ❖ Biotechnology and synthetic biology, Chemical Bonding

Hybrid Mode

- ❖ Enzymes and their applications
- ❖ Analytical Chemistry, Mycology
- ❖ Physical Chemistry, Acids and Bases
- ❖ Electrochemistry, Food microbiology, Stoichiometry
- ❖ Pathogenicity and virulence
- ❖ Nuclear Chemistry, Parasitology
- ❖ Environmental Chemistry
- ❖ Industrial Chemistry, Virology
- ❖ **All the topics related to Basic Science, Chemical and Microbiology**
