

Conference Date: April 22-23, 2023

International Conference on ENGINEERING, APPLIED SCIENCE, MATHEMATICS AND STATISTICS. (EASMS- APRIL 2023)

Conference Topics

- Engineering. Applied Science, Mathematics And Statistics
- Aerodynamics and Fluid Mechanics
- Biomechanics, Archaeology
- Combustion and Energy Systems
- Design and Manufacturing
- Dynamics and Control
- Materials and Structures
- Agriculture, Forestry, etc
- Chemistry and Pharmacology
- Linguistics and Literary Studies
- Medicine, Ethnic Sciences

Hybrid Mode

- Algebra, Arithmetic
- Calculus, Geometry
- Probability and Statistics
- Number System, Set Theory
- Trigonometry
- Bivariate distributions
- Conditional probability
- Univariate and bivariate transformations
- **All the topics related to Engineering. Applied Science, Mathematics And Statistics**
