

**Conference Date: June 01-02, 2024**

## **International Conference on ENGINEERING AND TECHNOLOGY (IC- E & T- 2024)**

### **Conference Topics**

- Engineering and Technology
- Materials, Nanotechnology
- Electrical Engineering
- Environmental Engineering
- Development of autonomous driving systems
- Electrical power systems
- History of electrical engineering
- Sustainable energy and machinery
- Control systems, Space
- Energy, Neural network
- Marine Engineering

### **Hybrid Mode**

- Mobile development
- Technology in agriculture
- Business intelligence
- Complex systems
- Deep learning, Mobile
- Emerging technology
- Gaming technology topics
- Digital health, Augmented reality
- Computational Science
- Agricultural engineering
- **All the topics related to Engineering and Technology**

**Email Id: [editor.iircr@gmail.com](mailto:editor.iircr@gmail.com)**
